Hardin County News

The Hardin County News, established in 1970, is a free newspaper delivered on Wednesdays with a distribution of 17,200, and Sundays with a distribution of 10,200.

Delivered to the majority of homes in the county by carrier or U.S. mail, the News provides in-depth articles on the people of Hardin County and the issues affecting their lives.

It features dedicated pages, including Hardin County Life, business, education, religion, sports, entertainment and commentary. Monthly tabloids and sections are also provided highlighting holidays, community events and timely topics.

For those persons living outside the county, mail subscriptions are available at \$38 a year. Additional copies of the News may be obtained at racks and stores throughout the county for 50 cents each for the Wednesday paper.

"The Hardin County News provides its readers with vital information they need to make informative decisions and stay in tune with events in their community," says Jeff Reedy, director of operations.

The office is located in the heart of Lumberton at 522 N. Main St. The mailing address is P.O. Box 8240, Lumberton, TX 77657.

Editor Rachel Cox and advertising representatives Karen Byerly, Renee Bragg and Becky Strickland can be reached at (409) 755-4912 or FAX (409) 755-7731.

The deadline for advertising is 5 p.m. Friday for publication the following Wednesday and Thursday at 5 p.m. for publication the following Sunday. The editorial deadline is Thursday at 5 p.m. for Sunday and Friday, and Friday at 5 p.m. for Wednesday.

About the Lumberton Volunteer Fire-Rescue Services

Lumberton Volunteer Fire-Rescue Services proudly protects 25,000 people living in an area of 120.5 square miles. We operate out of 2 stations that protect a primarily residential area. Our department is a public department whose members are on a volunteer status. We have an ISO rating of 7/9.

We were originally created in 1962 by the citizen's of a very small rural community and chartered as the "Chance-Loeb Volunteer Fire Department". However, rapid residential development and fast population growth led to the name being changed to the "Lumberton Volunteer Fire Department" in 1968. We are located at the intersection of US Highways 69, 96 & 287, just 12 miles North of Beaumont, Texas. Our relatively close location to the "Golden Triangle", (Beaumont, Orange, Port Arthur) one of the nation's largest concentrations of major petroleum and chemical manufacturers, makes the Lumberton area an

ideal place to live. It has also added to the reputation as one of the fastest growing communities in Southeast Texas.

In August of 1977, the community was very instrumental in supporting the Department with the financial assistance by way of an election to create the first of many Rural Fire Prevention Districts in Hardin County. Over the last 21 years that small tax levy has been a major contribution to the success of the services provided the volunteers of the Lumberton Fire Department and the Lumberton Emergency Medical Services. On August 8th, after a years of hard work, an election was held to assure our continued success well into the future. This election created an Emergency Services District, providing for a slightly increased tax to meet our financial needs.

Our growing department is 101% volunteer. We currently have approximately 30 members, with firefighting experiance and skills ranging from those of area career firefighters, safety training instructors, plant fire brigade members, and area health care workers, to those of plant operators, parts and counter sales personel, water and gas utility workers, local state and county detention officers and business owners and employees in the community.

Through continued and ongoing efforts with other local fire departments, we can count on rapid mutual aid response from the neighboring areas of Silsbee, Kountze and Sour Lake, just to name a few.

We are very much like any volunteer department, constantly striving to maintain and increase our valuable membership of concerned citizens who spend countless hours learning and training to be THE BEST. We are always looking for new members. Please feel free to call the non-emergency number listed, or drop by the Central Station on Hwy 96 any Tuesday evening at 7 p.m.

Lumberton Middle School is nestled in the piney woods of East Texas, about ten miles north of Beaumont, in the town of Lumberton. The middle school is host to about 550 7th and 8th grade students. The LMS mascot is the Raider.

Lumberton Intermediate School

"We make Children our First Priority"

A "Design School" for the Brazos-Sabine Connection

107 South L.H.S. Drive, Lumberton, Texas 77657

The mission of Lumberton Intermediate School is to meet the needs of each child and prepare them for the future by emphasizing the skills for learning: reading, writing and arithmetic. We will encourage those citizenship skills necessary for children to successfully function as a productive citizen in a democratic society.

A Texas Education Agency "Exemplary" School

What's New?

"Design School"

Lumberton Intermediate School is representing Lumberton I.S.D. in the Brazos-Sabine Connection (Computer Technology Consortium) as a "Design School". The faculty of the school has been busy incorporating and integrating computer technology into everyday lessons with the aid of three portable wireless computer labs. Most of our faculty have been through, or currently going through various academies, learning extensive computer integration training under the supervision of the Brazos-Sabine Connection and faculty from the University of Memphis.

LIS is proud to be leading the way in educating today's students with tomorrow's technology!
